## RIFTON BLUE WAVE BATH CHAIR SYSTEM

A modular bathing system comprising of

- **BLUE WAVE BATH CHAIR (IN 3 SIZES),**
- **BLUE WAVE TUB STAND**
- **BLUE WAVE SHOWER STAND.**

Blue Wave Bath Chair can be used independently, or used with *Tub Stand* or *Shower Stand* in various situations indoors or outdoors such as bath, shower, lounge room, or even at the beach. Made of high-strength moulded plastic frame and mesh material, the bath chair and stand are rust-resistant, light weight and strong. All adjustments are tool free.

### BLUE WAVE BATH CHAIR

- Comes in three sizes for user up to 173 cm height.
- Two seat heights, 5 cm or 18 cm above tub bottom to suit various needs. *For users who do not need to be strapped in, the seat fabric can be slipped off the frame, allowing the user to sit on the bottom of the tub.*
- Head support, two body straps and separate leg straps are standard.
- Mesh fabric drains well, dries easily and is removable for cleaning.
- Seat angle, back angle adjust independently with easy finger triggers even with child in the chair.
- Chair can be folded flat for easy storage.
- Legs with rubber tips are slip resistant and also fold flat for storage.

### BLUE WAVE TUB STAND

- Raises Bath Chair to overall 43 cm, allowing easy transfer and washing in the bath tub.
- Fits all three sizes of Blue Wave Bath chair.
- Quick release locks on stand allow easy attachment and removal of chair.
- Legs with rubber tips are slip resistant and also fold flat for storage.

### BLUE WAVE SHOWER BASE

- Raises Bath Chair to overall 71 cm allowing care-giver to carry out the job without stooping or bending.
- Nylon coated steel, rust resistant sturdy stand with locking castors.
- Quick release locks allow easy attachment and removal of chair.
- Fits all three sizes of Blue Wave Bath chair.

### BLUE WAVE CONVERSION KIT

The bath chair that grows with you!  
Two tool-free conversion kits are available to change a chair from either small to medium, or from medium to large.

Shower Stand allows the carer to wheel the user directly into the shower recess without stooping or bending.

Rifton Blue Wave Bath Chair has two seat heights to suit various needs.

Rifton Blue Wave Bath Chair with standard fabric, head support, two body straps and separate leg straps.

Tub Stand raises the bath chair to wheelchair height for easier transfer.
