

BATHING AIDS

COLUMBIA ULTIMA BATH CHAIR

- Modular Design Bath Chair with independent adjustable seat, back and leg angles. Angle can be easily changed by pulling a lever handle with one hand.
- Back to seat angles: 0°, 30°, 60°, 90°.
- Leg to seat angles: 0°, -30°, -60°, allows for seating positions such as reclining or tilting. *Can also be configured as a prone wedge for positioning use.*
- Full head, trunk and calf support in sitting or reclining positions.
- Surgical grade stainless steel frame with ComfortMesh™ cover.
- Comes in 4 sizes from small child to adult. The bath chair can be upgraded to the next size to cater for the child's growth, by changing frame parts and cover at a fraction of the cost of a new chair.
- Optional Stainless Steel Mobile Shower Base, Head Support, Abductor, Lateral Supports to suit individual positioning needs.
