## LECKEY ADVANCE BATH CHAIR & SHOWER BASE

This bath chair offers improved function and adjustability. The contoured back section and the leg section are easily adjusted independently by levers, making it possible to achieve a wide range of positions including tilt and recline. Can also be configured as a prone wedge for positioning use.

### Features:

- Stainless steel and plastic frame with removable soft cover.
- Excellent hi-lo range from bottom (5 cm) to the top (42.5 cm) of the bath tub.
- Available in 4 sizes for small child to adult. Load capacity is up to 72 kg.
- Comes with a hip belt and a chest belt with lateral support.
- Optional abduction strap, head support and a mobile shower base.
