

# SEATING & TRANSPORT EQUIPMENT

## FEEDER SEAT TRAY

Model No.: **SPC2795T**

Feeder Seat Tray fits Small, Medium and Large Feeder Seats. The colourful tray top measures 58 x 58 cm and is covered with a non-slip surface. It can be tilted and height adjusted 36 - 51 cm. Rubber feet keep tray from slipping on the floor.

Feeder Seat Tray SPC2795T & deluxe floor sitter.

## CARRIE COLLAR

Model No.: **SPC2774C**

This hinged collar supports the jawline and occipital region to help improve head control, neck flexion and midline positioning. The Carrie Collar can also be used by itself, or with other seating systems when a child needs greater head control and better positioning. Attaches in the front with velcro. Fits up to 35.5 cm neck circumference.

SPC2774C Carrie Collar.

## MOBILE FEEDER SEAT BASE

Model No.:  
**SPC4444MC** Medium  
**SPC4542N** Large  
**SPC4542S** Extra Large

Suitable for Medium & Large Feeder Seat, these mobile bases are made of wood with Tumble Form Covering and locking ball castors. The mobile base with feeder seat allows a properly positioned child to move to another area or activity without repositioning. Extra large Mobile Base is made of steel tubing with locking castors.

& Feeder Seat.

## UNIVERSAL CORNER CHAIR

Model No.: **SPC4590U**

This universal corner chair from Tumble Forms fits children up to 152 cm tall. Its broad base prevents tipping due to extensor thrusting. The padded seat with the hip positioning belt and height adjustable H-harness allows the child to be positioned comfortably with support. Removable tray can be raised to 30°. Base is 50 x 71 cm. Back height is 48 cm.

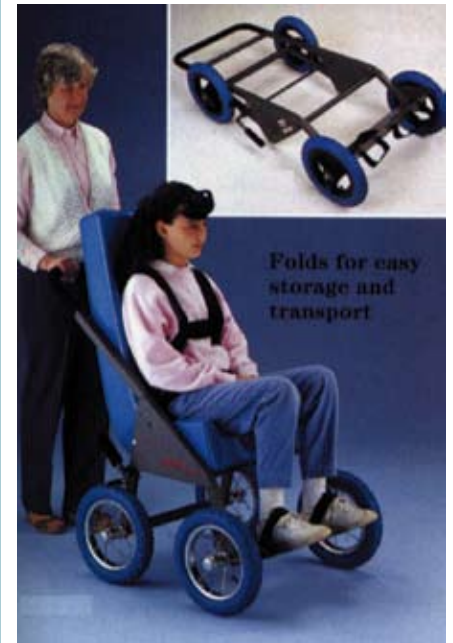

Children can read while they are sitting on the comfortable Universal Corner Chair SPC4590U.

## ROVER STROLLER BASE

Model No.: **SPC4587F**

The Tumble Forms adolescent size stroller provides proper positioning and support during travel. The rugged frame and large pneumatic tyres makes mobility easy, even over rough terrain. It fits the large Feeder Seat SPC2795X and can accommodate children up to 150 cm tall and 33 cm wide at the hips. It folds compact for storage and transport.

SPC4587F Rover Stroller provides a means of transport for Feeder Seat users. It folds for storage and transport.
