

# SEATING & TRANSPORT EQUIPMENT

## CONVAID RODEO

The Rodeo is an attractive and versatile Tilt-In-Space wheelchair. It is compact-folding and lightweight, making life much easier for the carer. It has a lot of features at an affordable price. Features include:

- NEW Heavy-Duty Transit Tyres as standard.
- 10° to 45° adjustable tilt.
- 90° to 105° seat back angle adjustment.
- Adjustable seat depth allows for growth.
- Comprehensive positioning options including pelvic stabiliser, abductor, solid side panel, headwing, oxygen holder, storage tray, etc.
- Height adjustable push handle.
- Folds with all positioning options in place.
- Angle adjustable, elevating legrest.

Rodeo Tilt-In-Space Chair with new silver frame.
