

Walking Aids

Colour Coated Forearm Crutches

- A choice of colour just for kids in bright metallic royal blue, princess pink or silver.
- Unique SureGrip handgrip provides additional palm support, reducing hand fatigue and soreness.
- Pivoting cuff bracket is secured by a nylon composite post for added durability.
- Flexible, contoured arm cuffs mould to the user for increased comfort.

Royal Blue Forearm Crutches

Standard Forearm Crutches

- All telescopic parts are manufactured with internal bushings and external lock nuts to provide totally silent use.
- Vinyl coated, tapered, contoured arm cuffs mould to fit for extra comfort.
- Pivoting cuff bracket is secured to a composite post for added durability.
- Contoured vinyl handgrips provide long wear.
- Heavy wall: high strength aluminium tubing can withstand the toughest punishment. Maximum load 135 kg. Finished in silver.
